

K-Love Christian radio station serves my area (FLint, MI) on the 88.9 FM dial. I know for a fact that K-Love has changed the lives of many people in our community and we would be devastated if it were to be displaced by an LPFM broadcaster with other programming. With all the negative news on the TV and on other radio stations, it is an awesome and uplifting experience to listen to the powerful messages and songs played on K-Love.

PLEASE KEEP K-LOVE ON THE FM DIAL!!! IT IS TOO IMPORTANT TO MY LIFE AND MANY OTHERS IN OUR COMMUNITY!
